

Programs for Kids (under 16)

The MFFC offers a chance for kids (under 16) to have fun at the Expo. Each year MFFC members volunteer their time to assist kids in making a fish t-shirt, to learn how to cast a fly rod and to tie a fly that they can keep! In addition, on Saturday and Sunday, each participant has the opportunity to enter our drawing for a fly rod/reel/line.

FREE Activities for the Kids!

These activities are FREE and are in their own separate area of the Expo,
look for the "Kidz Korner" signs!

Fly Tying - A big table heaped with fly tying stuff! Have your kids tie thier own flies. If they've never tied a fly, no problem our youth instructors will be on hand to

T-Shirt Painting - A "Project Fish" activity. What's more fun than a blank white T-Shirt and a bunch of paint?

"Kids Only" Casting Area - Kids have the run of the South end of the main casting pond.

...and More!

Parents, please remain with your kids while in this area.
